☐ I have attached to this form the vendor quote showing hardware configuration and price

The cost of these items will be taken out of the District's Allotment for this line item. We verify this has not gone over the State Master Plan budget for this line item. We verify the above will be purchased 100% from the KETS Contract and we have sufficient Education Technology Funds in our account to cover these expenditures:

_____   _____
Financial Officer Name   Date

_____   _____
CIO/DTC Name   Date

Global Catalog
Products submitted by the vendor will be categorized as either Tier I or Tier II under the global catalog.

- Tier I – Tier I products are those that have undergone evaluation by the OET and have the OET and DMPS approval for purchase under the terms of the contract. These products meet the OET standards or recommended guidelines.

- Tier II – Tier II products have undergone review by the OET and have the OET and DMPS approval for purchase under the terms of the contract. Tier II products may not address a core standard and may not have an approved standard in place.

- Tier II – Tier III products are outside the scope of enterprise standards in place by the OET.
